International Social Media Ambassador Award - \$1000

A limited number of awards of \$1000 each are available for Canadian and international students who are interested in promoting TRU worldwide as a study destination. Awards are intended to offer an incentive to 2nd, 3rd, and 4th year students to act as ambassadors for TRU World International Marketing. The award is competitive and assessments will consider several key criteria: the enthusiasm, the student's academic transcript at TRU, and the written statement submitted by the student.

By submitting this form, you authorize the release of all college/university grades to Thompson Rivers University.

Should you receive an award, you agree that TRU can make reasonable use of your award application information, including your name and photos for publicity purposes.

All social media content you create during your term as a Social Media Ambassador, are the property of TRU and you will represent TRU in the best light and in a professional manner.

The International Social Media Ambassador Award recipients must formally accept the award and the conditions of the award by **email only**. If a recipient accepts an International Social Media Ambassador Award but fails to register at TRU by the last day for payment of fees for the appropriate semester, the award will be canceled. The Student Awards and Financial Support Office will advise the student in writing to this effect.

Should an International Social Media Ambassador Award recipient withdraw during the first or subsequent semesters of the period of study for which the award is granted, the balance of the award will be canceled.
